I suggest in teaching process to to focus more on communication skills

No other suggestions

More practical excercises for stress management

More practical excercises for communciation skills

No suggestions

Thank you for seminar

Quite long seminar

Nowadays, it is very important to focus on soft-skill in tourism. Thank you for this seminar

There is lack of softskills in potential tourism employees

I really liked presentations

Could be more practical

Mr.Galik had great presentation.

More presenters

No

It was ok

It is really great idea to teach potential employees in tourims about soft skills that are so necessary nowadays

This presentations should be more often

Soft skills are still underrated

Ok

We will use your ebook for teaching our new employees abou soft skills. Thank you!
